

A record of action, a promise of more

Working for our community

I am proud to have been selected as the Conservative Party Candidate for Bedminster.

Living in Bedminster I understand many of the problems facing our local community. I have seen the neglect caused by disinterested Labour Councillors and I am determined to make life better for all local residents.

Recently I have been campaigning locally for the removal of unnecessary yellow lines, improved lighting, better footpaths, cleaning up graffiti – the little things that make life more tolerable. But I have also been fighting to re-instate the Police Community Support Officers we should have had, had Labour not reneged on its promises.

Bedminster needs more facilities for young people, so I am pressing to get South Park refurbished and a play park in Ashton Vale, something local Labour Councillors should have done years ago.

Let's upgrade Parson Street Station, so that people will want to use the trains; let's try and sort out the

traffic on Winterstoke. Road; let's be proactive not reactive.

Vote on May 3rd for a change. Vote for a Councillor who genuinely has the local community as his main concern. Vote for me and I will make Bedminster an even better place to live and work.

I promise to campaign on your behalf to:

1. Ensure all new developments take into account the concerns of local residents
2. Build safe, clean, fun areas for children to play in Ashton Vale
3. Transform the derelict South Street Park tennis court into a place young people can enjoy
4. Keep Bedminster free from litter and vandalism
5. Redevelop the shelter on Parson Street Station so that it is a pleasant place to catch the train
6. Investigate new ways to remove the congestion on Winterstoke Road
7. Get more youth services to help with anti-social behaviour

Bristol City Council Elections

Thursday 3rd May 2007

"So let us be clear about what we're fighting for. We're fighting to improve our National Health Service, which makes such a difference to the quality of so many people's lives. We're fighting for a cleaner, greener environment - locally and globally - for this generation and those that will follow.

We're fighting to support our families: with childcare, with more flexible career opportunities, with a commitment to marriage as the essential institution of a strong society. We're

fighting to tackle the causes of poverty as well as its symptoms, and we're fighting for better schools so every child has the chance to fulfil their potential. We're fighting for better public transport so it's not such a hassle to get around.

And we're fighting to cut the crime that wrecks the quality of life in so many of our neighbourhoods."
