

A record of action, a promise of more

Working for our community

Born and brought up in Bishopsworth, it has been my privilege to serve as your Bristol City Councillor since 1992.

Bishopsworth is a great place in which to live, work, and bring up a family. With your backing and support, we have achieved a great deal in the last few years.

It is fantastic to see my old school, Bedminster Down, completely rebuilt and Bishopsworth Library substantially refurbished. In January 2007, the new Withywood Centre (comprising church, community centre, youth café and healthcare clinic) opened for business. We have also won improvements to road safety in Highridge Road, Queens Road, Sandburrows Road and Whitchurch Road.

However, we also have our share of problems and much remains to be done.

The Council has ignored the need to curb dangerous driving, notorious nuisance neighbours and to improve the state of our parks and open spaces. Cllr. Kevin Quartley and I are working with Young Bristol and

other groups to provide high quality activities for our youngsters. We also promise to fight the Lib Dem plan to close Bishopsworth Pool in 2010.

I have been honoured to serve as your Councillor. Please give me your support on 3rd May so that, together, we can continue to fight for a better Bishopsworth.

I promise to campaign and work on your behalf to:

1. Help provide high quality out-of-school activities for our youngsters.
2. Fight to protect the Green Belt and enhance our parks and open spaces.
3. Work with the Police and Neighbourhood Watch groups to make our streets safer and stamp out yobbery.
4. Save Bishopsworth Pool from the Lib Dem axe.
5. Stop the Council from using our community as a 'dumping ground' for nuisance neighbours and misfit tenants.
6. Create a cleaner, greener Bishopsworth.

Bristol City Council Elections

Thursday 3rd May 2007

"So let us be clear about what we're fighting for. We're fighting to improve our National Health Service, which makes such a difference to the quality of so many people's lives. We're fighting for a cleaner, greener environment - locally and globally - for this generation and those that will follow.

We're fighting to support our families: with childcare, with more flexible career opportunities, with a commitment to marriage as the essential institution of a strong society. We're

fighting to tackle the causes of poverty as well as its symptoms, and we're fighting for better schools so every child has the chance to fulfil their potential. We're fighting for better public transport so it's not such a hassle to get around.

And we're fighting to cut the crime that wrecks the quality of life in so many of our neighbourhoods."
