

# A record of action, a promise of more

## Working for our community

I feel privileged to have been selected to contest Stockwood Ward as your Conservative Candidate in May's local elections.

As you may be aware, I have wide experience of Stockwood having run the Post Office in Sturminster Road for many years jointly with my husband, Nick.

Stockwood is a pleasant place in which to live, work and bring up a family. However, it has been poorly served and neglected by the City Council, and, working with Cllr David Morris, I am determined to do everything possible to improve our community.

As a team, David and I are already

campaigning (amongst other things) to improve road safety on Sturminster Road, cut community crime, provide new youth facilities and enhance our dilapidated parks and open spaces.

Please give me your support at the ballot box on 3rd May and I will not let you down.

## I promise to campaign on your behalf to:

1. Improve public transport and tackle parking problems
2. Fight to reduce crime and anti-social behaviour to make our streets safer
3. Support local people in dealing with nuisance neighbours
4. Secure our promised allocation of Police Community Support Officers
5. Work to make parks and open spaces accessible to the whole community
6. Create a clean, green environment

Bristol City Council Elections

Thursday 3rd May 2007

"So let us be clear about what we're fighting for. We're fighting to improve our National Health Service, which makes such a difference to the quality of so many people's lives. We're fighting for a cleaner, greener environment - locally and globally - for this generation and those that will follow.

We're fighting to support our families: with childcare, with more flexible career opportunities, with a commitment to marriage as the essential institution of a strong society. We're

fighting to tackle the causes of poverty as well as its symptoms, and we're fighting for better schools so every child has the chance to fulfil their potential. We're fighting for better public transport so it's not such a hassle to get around.

And we're fighting to cut the crime that wrecks the quality of life in so many of our neighbourhoods."
